

Kia ora Kahurangi Whānau,

NEW DATE
Online Safety Information Presentation (for parents)
& Movie Night (for the children)
Wednesday 19 May - 7-8:30pm

We had to cancel this session last term due to Covid but consider it so worthwhile and important that we've rescheduled it.

Filmmakers and parents Rob and Zareen Cope will be leading this session about 'online safety for children'. Last year I attended this same session and gained so much knowledge of the dangers as well as how to support children being safe online (even though I felt like I already knew a lot). They shared a message that I think all of us should hear at least once. I can promise if you attend you'll find it very worthwhile.

It's also important to note this session isn't only for parents of older children but also for whānau who have younger children as they too regularly use devices connected to the internet.

Hosting this session comes at significant cost to the school but we believe this message is of such value that we are willing to pay this cost. Because of the high cost it's not likely we will repeat it any time soon. This session will be free for whānau.

To enable all whānau to attend we will also host a 'movie night' for our tamariki at the same time so those of you who can't get a babysitter or have no one to look after your children will still be able to attend.

I hope you are able to attend this session.

Ngā mihi,

Kyran Smith | Principal
