## Kia ora Kahurangi whānau

We are sending this learning pack home with your child just in case your child and family is required to self-isolate. Please put this pack aside until it is required.

Each pack is expected to last for 5 school days. We ask that you don't allow your child to rush through it and complete the entire pack in a day.

Please note that we do not expect your child to be doing school learning if they are sick. These packs are for children who are well but for whatever reason can't attend school at this time.

If your child does want extra learning please visit the following websites for suitable learning tasks you can give them.

Resources for early learning	https://learningfromhome.govt.nz/resources?age=Early_Learning
Resources for years 1-4	https://learningfromhome.govt.nz/resources?age=Years_1_to_4
Resouces for years 5-8	https://learningfromhome.govt.nz/resources?age=Years_5_to_8

The Ministry of Education have also released a trial set of downloadable learning packs which your child might find engaging too.

We have moved away from our online learning approach this year as it was designed to work best when the whole school was learning at home and we knew children would have learning devices. This time, only some children will be home. If by chance we all are, it will probably means that many are sick including teachers so they won't be available to connect with your child or their class online.

Our hope is that these packs and the recommended websites above will be sufficient for the time your child is away from school.

If you have any questions or concerns please get in touch with your child's teacher.

Ngā mihi,

Kyran Smith | Principal
